## Donation request from St Keyne Garden Club

**Sent:** Thursday, February 8, 2024 8:41 AM

**To:** Parish Clerk <clerk@stkeynetrewidlandpc.org.uk>

**Subject:** RE: Funding for projects

There are 2 parts to our project:

Enhancing the green spaces with bulbs and providing a remembrance display.

I have spoken with Jane Pascoe and the community fund opens up again April/May so we would miss the opportunity to apply in time and have a display for the VE Day anniversary from this. She would however support us with these projects.

A display figure is £200 & bulbs approx. £100 . This is an approximate figure as we can't purchase bulbs until late summer. I am able to buy wholesale & the receipt goes in to our audited accounts. The garden club members would plant and I have spoken to Peter Higgs and he has no problem with enhancing the bank in front of the village hall.
